DEWDCK299P2LR Lanyard Ready™ Combo Kit

The DEWALT® Lanyard Ready™ attachment is pre-installed on select impact drivers, hammer-drill/drivers, and grinders. This innovative solution comes pre-installed from DEWALT, completely eliminating the need to create a new attachment point. Certain tools can also be retro-fitted at the DEWALT Service Center.

The DCK299P2LR combo kit includes the DCD996 1/2" hammer drill and the DCF887 1/4" impact driver with the Lanyard Ready™ attachment kits pre-installed, and do not require a battery holster.

Increase productivity and get back to work faster with these secure, lanyard-ready power tools!
